

Latent True Intent:

machine washable; beige; under \$50.

I'm looking for window coverings under \$50 that are machine washable, and I want a light one. [Lexical Ambiguity]

Do you mean light in color or light in weight? [Asking for Clarification]

Silent Intent Shift: [Refine, Relax]

...washable; beige; heavy-weight; under \$80.

I meant light in color, but now that you said, I want it to be heavy-weight as well.
(User budget also increases, but silently)
